

Short CV

Name: Mario Pulvirenti

Place and date of birth: Roma, march 30, 1946.

Nationality: Italian

Address: Dipartimento di Matematica, Università di Roma "La Sapienza"

Education: Degree in Physics, december 19, 1970.

Current position: Full Professor in Mathematical Physics

Previous Positions: Professore Incaricato from 1974 to 1983.

Associated Professor of Fluid Mechanics from 1983, at University of Roma 1.

Professor of Mechanics and Mathematical Physics at University of L'Aquila, from 1986 to 1990.

Professor of Mechanics and Mathematical Physics at University of Roma "La Sapienza" from 1990 up to now.

Research arguments: Statistical Mechanics, Kinetic Theories, Fluid Dynamics.

Other: Author of more than 100 publications and 2 monographies.

Winner of the Tartufari prize 2006, from Accademia Nazionale dei Lincei.

Invited speaker at International Congress of Mathematicians, Madrid 2006
